MEMORANDUM

To: Chief Fiscal Officers, Budget Directors, and General Counsels
From: Thomas Smith-Vaughan, Chief Operating Officer, Office of the Comptroller
Christopher Marino, Assistant Secretary for Budget, Exec. Office for Administration and Finance
Date: March 15, 2025
Subject: Update – Rescind Memo FY2025-17, Congress Passes Federal Government Continuing
Resolution, Extending Federal Funding Through September 30, 2025

Comptroller Memo FY2025-17A

This memo rescinds [Comptroller Memo FY#2025-17](#), issued on March 11, 2025, that required a response by March 14, 2025 regarding the impact of a potential federal shutdown to agencies and departments. As the existing federal Continuing Resolution approached the deadline for its expiration, Congress passed and the President signed into law on March 15 a bill allowing for a temporary extension of spending authorization by the federal government through September 30, 2025.

We suggest that you and your leadership team continue to focus on the programs that you operate which rely upon federal financial participation and on staff that are federally funded since the Continuing Resolution only authorizes spending through September 30, 2025. Therefore, we may have the need to renew this request with a deadline closer to the new runout date.

Should you have any questions about this memo please contact your A&F Budget Analyst.
